

San Miguel

LOUNGE

Getaway™ SPAS

Want to enjoy the health and lifestyle benefits of a hot tub, but not looking to occupy your entire backyard? Look no further. You can have the relaxation and therapy of owning a spa in a surprisingly small footprint. The San Miguel 3-person hot tub features 16 relaxing jets and comes as a convenient plug and play model that can be installed indoors or out. The San Miguel comes standard without skirting. The streamlined design features doors that are easily removable for access to components of the hot tub.
